GET TO KNOW YOUR HOUSING BOARD MEMBERS

Hello, Pit River Nation. My name is Adan Garcia. I have been serving as one of your board members (commissioner) in the PRTHB since August of 2023.

I am currently employed at University of Nevada Reno where I teach graphic design. Additionally, I work as an independent contractor building brand identity and web content. Currently, I am redesigning the tribal housing website so that it is easier to navigate.

I believe that a fundamental part of being empowered as a people depends on our capacity to be well informed. I am doing my best to create a new housing website that clearly provides forms, resources, and governance rules.
